## ALYSON NOËL

The eagerly awaited third book in Alyson Noël's #1 bestselling *Immortals* series

At the start of this breathtaking novel, Ever's beloved Damen has been poisoned. If she gets too close to him, it will activate the poison and bring about a swift and painful death. Determined to break the curse, Ever travels to Summerland and immerses herself in magick—and receives help from a new friend in Laguna Beach.

Although she and Jude have only just met, Ever is mysteriously drawn to him, for he feels startlingly familiar. As Damen pulls farther away, claiming it's the only way to keep them safe until they find a cure, her connection with Jude grows. And before long she discovers the reason for her feelings: she and Jude shared a complicated past in a previous life. She always thought Damen was her soulmate and her one true love... but now their love is about to be tested like never before.
