THE CITY OF YOUR FINAL DESTINATION

“Delightful, unexpected, magical, romantic, and fraught with adorable entanglements.”—Ann Pritchard, *USA Today*

Omar Razaghi posts a letter on September 13, 1995, that will change the course of his life forever. A Ph.D student at the University of Kansas, he writes to the estate of the Latin American author Jules Gund, requesting permission to write Gund’s authorized biography. When his request is refused, Omar goes to Uruguay to petition to Gund’s executors—among them his wife, his mistress, and his brother. Omar’s unexpected arrival in Uruguay shakes up this odd and isolated little family group, and his stay in the languid, dreamy Ochos Rios makes him question his former life in Kansas, and his ability—even his desire—to write an “authorized” life.

“Pungent, airy, grave and transporting commedia dell’arte [that] subtly, affectingly, erotically traces the beginnings, the hesitations, the advances of a love affair.”
